PROPERTY OF

LLOYD J. LOONAN

WATERLOO, IOWA

(Kindly bring this Catalog with you to the Sale.)

## INVITATION

A cordial invitation is extended to farmers, breeders and every one interested in good Shorthorns to be present at this our annual production sale. In selecting and breeding Polled Shorthorns, the aim has been to produce breeding cattle that will meet present day requirements as to size, color, quality and real Shorthorn type, together with the most popular blood lines of the Shorthorn breed. Plan to attend this sale. Your presence will be appreciated whether you intend to buy or not.

## GENERAL INFORMATION

**TIME AND PLACE**—For the convenience of buyers the sale will be held in the heated sale pavilion on the Fair Grounds at Cedar Falls, Iowa. Street cars run direct to the grounds. The sale starts promptly at 12:30 P. M., Thursday, November 23, 1922.

**LOCATION**—Cedar Falls (Black Hawk County) is on the Illinois Central, Rock Island, Chicago Great Western and the W. C. F. & N., giving direct connections with St. Paul, Chicago, Omaha, Kansas City, Des Moines, Cedar Rapids, Marshalltown, and Sioux City. Fifteen minute motor bus and interurban service from Waterloo.

**TERMS**—Cash, but six months time will be given if desired on bankable notes bearing 8% interest. Parties desiring credit must bring late bank reference. Stock will be cared for and loaded on cars free of charge. Cattle at buyers' risk after bid off.

**GUARANTEE**—Bulls guaranteed breeders with proper care and when not allowed to run with herd. Cows with calves at foot or close to calving are considered breeders and no further guarantee is given. Cows and heifers lately bred must be in calf or get in calf. But if they do not after a reasonable trial period, they may be returned in same condition as when sold, and given a trial by the seller; upon failure to breed, an animal of equal value will be given, purchaser paying all transportation charges. Heifers not yet bred sold at buyer's risk. All cattle tuberculin tested and sold subject to 60-day retest if kept segregated.

**PEDIGREES**—Every animal listed is a Double Standard Polled Shorthorn. Certificates of registry in American Shorthorn Breeders Association, and American Polled Shorthorn Association furnished with each lot sold, excepting that applications only will be given with calves selling with their dams.

**MAIL BIDS**—We prefer to have you attend the sale in person, but if impossible, mail or telegraph bids sent to any of the auctioneers, clerk, or fieldmen, in our care, will receive honorable attention.

**FREE LUNCH SERVED ON THE GROUNDS**

## ANNOUNCEMENT

The question is often asked, "WHAT ARE POLLED SHORTHORNS?" The answer is, "MERELY SHORTHORNS NATURALLY HORNLESS." The up-to-date Double Standard Polled Shorthorn carries the size, color, type, conformation and milking qualities of the horned Shorthorn, with the added advantage of being naturally hornless. All calves from Polled Shorthorn bulls and registered Shorthorn cows, or calves from horned Shorthorn bulls and Polled Shorthorn cows are eligible to registration in the American Shorthorn Herd Books, and also in the American Polled Association, if polled. In either of the above cases records show from 65% to 100% of the calves will be hornless.

This plan of mating horned cows to a polled bull has been quite extensively followed in this herd, and the results have been very satisfactory as is demonstrated by the animals in this sale consignment, and by the remarkable record made by our show herds at the leading fairs of Iowa and Minnesota the past season. The fact that these cattle had no especial fitting and were in just good breeding condition, having been taken from the pasture less than ten days before starting on the show circuit and succeeded in winning 144 firsts, 36 seconds, 17 Junior, 18 Senior, and 16 Grand Championships, justifies our contention that the constructive Polled Shorthorn breeder should realize the necessity of a liberal infusion of the best Scotch blood into his herd.

This consignment to our annual production sale represents the pick of the young cattle from our herd, which numbers over 150 head of registered animals, thus insuring the farmer and beginner an opportunity to buy foundation stock, as well as giving the established breeder an opportunity to strengthen his herd.

Among the 11 young red, white and roan Polled bulls of serviceable age will be found a number of great prospective herd headers as well as bulls for the farmer who wishes to improve the beef and milking qualities of his herd.

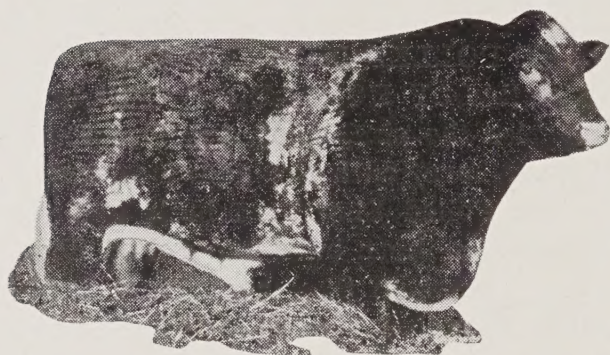

The 40 Polled females include 10 young cows with calves at foot or heavy in calf. Fifteen bred heifers. Fifteen open heifers.

Every lover of good Shorthorn cattle is urged to be present sale day and help us make Thursday, November 23rd, 1922, a BANNER DAY in Polled Shorthorn history.

Respectfully yours,

LLOYD J. LOONAN.

SCOTCH LOCH DALE  
International Grand Champion

## SCOTCH LOCH DALE

LOCHLIN DALE 334951—Sire, Avondale 245144 by White Hall Sultan 163573, out of Imp. Avalanche 2d V60-655. Dam—Lavender Bloom 2d 36078, by Scotch Mist 157620, out of Imp. Lavender Bloom V62-713.

FIELD MARSHAL X1758-164475. Sire—Marshal Abbotsburn 2d 127922, by Young Marshal 110705, out of Mary Abbotsburn 7th V39-612. Dam—Acomb's Pride X2-304, V45-962, by Baron Ottawa X449-122469, out of Duchess Acomb 15th V40-956.

SCOTTISH FANCY 157741. Sire—Sittyton Pride 136401, by Scottish Archer 117301, out of Guelder Rose V31-353E. Dam—Goldie 35th V43-550E, by William Orange 95736, out of Goldie 21th E. H. B.

Scotch Loch Dale needs no introduction to the Polled Shorthorn breeders fraternity. His record in the show ring stamps him as one of the most phenomenal bulls of the breed. Entering the ring weighing over 2800, he was made the first prize Aged Bull, Senior Champion, and the undefeated Grand Champion of 1917, at all of the leading State and Interstate Fairs, as well as the great Chicago International.

In purchasing Scotch Loch Dale at the Leemon sale in 1918 at the record price for a bull of this breed, we not only felt we were getting a great individual, but a bull whose ancestry has made history for the horned as well as the Polled Shorthorn breed.

The show ring winnings may to a certain extent enhance the value of an animal, but the real worth of a bull is his ability to transmit his own individuality to his offspring. In this respect Scotch Loch Dale exceeded our fondest expectations, and we feel his untimely death a little more than a year ago a distinct loss not only to this herd but to the entire Polled breed.

We have listed a large number of his heifers that we would much prefer to keep in the breeding herd and have included them purely as an attraction in this sale.

"SCOTCH LOCH DALE BREEDING WILL ADD PRESTIGE TO YOUR HERD."

SCOTCH LOCH DALE X15779-431409. Sire—Lochlin Dale 334951, by Avondale 245144, out of Lavender Bloom 2d 36078. Dam—Buttonwood Jenny Lind 2d X3-330, V-62, 737, by Field Marshal X1738-164475, out of Imp. Jenny Lind 24th, V51-713.

IMP. WOODEND STAMP 612607. Sire—Royal Major 608154, by Royal Stamp 410885, out of Spicy May V57-447 E. Dam—Woodend Beauty 9th 612611, by Ping Pong 612606, out of Woodend Beauty 2d 612610.

JOVIAL SULTAN X10444-385900. Sire—Sultan of Anoka 302426, by Whitehall Sultan 163573, out of Imp. Lady in Waiting V44-632. Dam—Lady Corena X5-537-68617, by the Confessor X5985-284217, out of Lady Grand V44-567.

The fact that Scotch Loch Dale Jr. has from calfhood shown a marked resemblance to his illustrious sire, along with the fact that his dam was a consistent First Prize and Grand Champion winner, convinces us that we were indeed fortunate in having retained him as a fitting successor to his sire, Scotch Loch Dale.

At the death of Scotch Loch Dale, Scotch Loch Dale Jr. was placed in service and excessive show fitting was deemed impractical, but in spite of the handicap of being in just breeding condition, he stood First in the 2-year-old class at the Minnesota State, and Second at the Iowa State Fairs this season. But his show ring honors did not stop at his individual winnings.

Three of his first calves were shown this year, a bull and two heifers, all under a year old. As a group they won First Prize calf herd at seven fairs, including the Minnesota State and Sioux City Interstate Fairs, and stood second in class of seven entries at Des Moines. Individually the heifers stood First and Second at six fairs, including Minnesota; Second and Third at Sioux City, and Third and Fourth at Des Moines, in the largest class of the show. The bull, Scotty Type, was first prize senior calf and Junior Champion at six of these fairs including Minnesota and stood second to the Junior Champion in a class of nine at Des Moines.

The real test of a bull is his ability as a sire, and the winnings of these three calves along with the uniformly high class lot of young animals by Scotch Loch Dale Jr. in this sale clearly stamps him as one of the outstanding young sires of the Polled breed. "Like begets like."
